TOWN OF SHELburne

NOTE: Before you prepare and submit your application to the Town of Shelburne, it is strongly recommended that you consult with the Town Planner. It is also advisable that you communicate with your neighbours with respect to your plans.

Submission for an application shall consist of the following:

1. One (1) original application form with one (1) copy of the completed form. All questions on the application form must be answered. Incomplete applications will be returned to the applicant.
2. If an application is being submitted by a limited company or corporation, signatures must be under corporate seal, if applicable, or signed by an individual having authority to bind the corporation. Similarly, any authorization from a limited company or corporation shall be under corporate seal, if applicable, or signed by an individual having authority to bind the corporation.
3. A letter of authorization from the property owner is required when the application is being signed by an agent.
4. Five (5) copies of a Concept Plan as described in the application form are required. A legible copy no larger than 11 x 17 is required if larger plans are submitted. Drawings should be of an adequate size to clearly identify all features and provide dimensions. The drawings should be to scale. The Town may require drawings to be prepared on a legal survey, and additional information to be surveyed. The Concept Plan shall be in metric units at a scale of approximately 1:2500 showing the following:
 - a. The boundaries and dimensions of the subject land;
 - b. The location, size and type of all existing and proposed buildings and structures on the subject land, indicating the distance of the building or structures from the front yard lot line, rear yard lot line and side yard lot lines;
 - c. The approximate location of all natural and artificial features on the subject land and on land that is adjacent to the subject land that, in the opinion of the applicant, may affect the application. Examples include buildings, railways, roads, watercourses, drainage ditches, river or stream banks, wetlands, wooded areas, wells and septic tanks;
 - d. The current uses on land that is adjacent to the subject land;
 - e. The location, width and name of any roads within or abutting the subject land, indicating whether it is an unopened road allowance, a public travelled road, a private road or a right of way;
 - f. The location of existing and proposed parking areas, refuse areas and landscaping areas; and,
 - g. The location and nature of any easement affecting the subject land.

Please attach a key map indicating the subject lands in relation to adjacent lands and roads.

The process for official plan amendment applications is as follows:

1. Upon submission of a complete application, the application is assigned a file number.
2. The application is circulated in accordance with the Planning Act requirements, no less than 20 days before adopting the amendment. The Town shall also provide notice to such Ministries, agencies and groups that are considered to have an interest in the proposal to obtain comments.
3. A notice of public meeting under the provisions of the Planning Act is provided. Advertising of a public meeting does not oblige Council to approve the application.
4. A planning report is prepared and a draft amendment and schedule may also be prepared for consideration.
5. The public meeting is generally held in the Council Chambers prior to a regular meeting of Council or General Committee (Mondays) at 7:00 p.m. At the hearing, the applicant or the agent will be required to present the application and be available to answer questions. Council may make a decision at its meeting following the public meeting.
6. In accordance with the Planning Act, where a change is made to the proposal after the holding of the public meeting, Council shall determine whether any further public notice is to be given in respect to the proposed amendment.
7. Should changes to the application or amendment be made, a supplementary report is prepared with recommendations for Council's consideration at a subsequent Council meeting.
8. If Council supports the application, the amendment is adopted by Council.
9. Once a decision on the application is made, a notice of passing is issued and is sent to all persons identifying an interest in the application, plus agencies and ministries, not more than 15 days after the Official Plan Amendment is adopted. The Clerk shall give written notice of the adoption of the amendment to the Minister, to each person who filed with the Clerk and to each body that submitted comments when the amendment was pre-circulated for comments, and that in writing are required to be notified.
10. The adopted amendment is forwarded to the Minister of Municipal Affairs and Housing for approval. The Minister may defer, approve, modify or refuse the amendment. The Minister will issue the decision and circulate to all of those required to be notified from the Clerk's record and it will be subject to a 20-day appeal period.
11. Any Ministry, agency or person has the right to request that the Minister of Municipal Affairs refer the amendment or any part of the amendment to the Ontario Municipal Board. The Planning Act requires that such a request be accompanied with a written statement of the reasons for the request.
12. If Council refuses or neglects to make a decision within 180 days after the receipt of the application by the Clerk, the applicant may appeal to the Ontario Municipal Board.
13. After the 20 day appeal period, if there is no appeal to the Minister's decision, the amendment is deemed to have come into force on the day it was adopted.

Further information can be obtained from the Town offices.
