

The Corporation of The Town of Shelburne

Bylaw Number 23 – 2021

Being A By-Law to Regulate the Sale and Use of Fireworks

**WHEREAS** Section 11 of the *Municipal Act, 2001* provides broad authority for lower-tier municipalities to pass by-laws protecting the health, safety, and well-being of persons,

**AND WHEREAS** pursuant to section 121, subsection (a) of the *Municipal Act, 2001* S.O. 2001, chapter 25, as amended, provides that a local municipality may prohibit and regulate the sale of fireworks and the use of fireworks;

**AND WHEREAS** the *Explosives Act* governs the manufacture, testing, sale, storage, transportation and importation of explosives and the use of fireworks in Canada,

**AND WHEREAS** the Council of the Town of Shelburne deems it necessary and expedient to pass the subject by-law to govern sale and discharge of fireworks in the Town of Shelburne; and

**NOW THEREFORE** the Council of the Town of Shelburne hereby enacts as follows:

1. This By-law may be referred to as the “**Fireworks By-law**”.

**2. DEFINITIONS**

2.1 For the purposes of this by-law:

- a) “**Corporation**” means the Corporation of the Town of Shelburne;
- b) “**Council**” means Council of the Town;
- c) “**Diwali/Deepawali**” shall mean the third day of the South Asian Diwali Festival on which the main Diwali celebrations, including fireworks, normally take place;
- d) “**Explosives Act**” means the *Explosives Act*, R.S.C. 1985, c. E-17;
- e) “**Fire Chief**” means the person duly appointed by Council to act as Fire Chief for the Town as defined in the *Fire Protection and Prevention Act*, as amended;
- f) “**Fire Prevention and Protection Act, 1997**” means the *Fire Prevention and Protection Act, 1997*, SO 1997, c 4; as amended;
- g) “**Fireworks**” shall include the following devices:
  - i. “**Consumer Fireworks**” means low hazard fireworks generally used for recreational purposes classified in Section 14 (5) in the regulations under the *Explosives Act* (Canada), does include Roman Candles, sparklers, fountains, volcanos, mines, and snakes;
  - ii. “**Display Fireworks**” means high hazard fireworks designed for professional use for community celebrations classified in Section 14 (6) in the regulations under the *Explosives Act* (Canada) commonly known aerial shells, cakes, Roman candles, waterfalls, lances and wheels, rockets, serpents, shells, bombshells, tourbillions, maroons, large wheels, bouquets, barrages,

bombardos, waterfalls, fountains, batteries illumination, set pieces, pigeons, and firecrackers.

- iii. **“Explosive”** means anything that is made, manufactured, or used to produce an explosion or a detonation or pyrotechnic effect, and includes anything prescribed to be an explosive by the regulations contained within the Explosives Act, R.S.C. 1985, c. E-17, but does not include gases, organic peroxides or anything prescribed not to be an explosive by the regulations;
- h) **“Fireworks Vendor”** means any Person, as defined herein, that sells or offers for sale Fireworks from a permanent or temporary location;
- i) **“Municipal Act”** means the Municipal Act, 2001, SO 2001, c 25;
- j) **“Officer”** means and includes a Police Officer, Fire Inspector, Fire Marshal, assistant to the Fire Marshal, and the Fire Chief, Fire Inspector or Fire Prevention Officer of Shelburne and District Fire Department, and Town Municipal Law Enforcement Officer;
- k) **“Owner”** includes an assessed owner, tenant, lessee, occupant, or any person having an interest, whether equitable or legal, in the land;
- l) **“Person”** includes a corporation and its directors and officers, and their heirs, executors, assignees, trustee and administrators or other legal representatives of an individual and their respective successors and assignees;
- m) **“Prohibited Fireworks”** includes, but is not limited to, flying lanterns, cigarette loads, or pings, exploding matches, electric matches, sparkling matches, ammunition tie clips, cufflink or key chain pistols, auto alarms or jokers, cherry bombs, M-80, and silver salutes and flash crackers, throw down torpedoes and crackling balls, exploding golf balls, stink bombs, smoke bombs, tear gas pens and launchers, patty peppers, table bombs, table rockets, battle sky rockets, fake firecrackers Sprite bombs, party snaps and other similar types of novelty items and other trick devices or practical jokes as included on the most recent list of prohibited fireworks as published by the Act from time to time;
- n) **“Provincial Offences Act”** means the Provincial Offences Act, RSO, 1990, c P.33;
- o) **“Town”** means the Corporation of the Town of Shelburne or the geographic area of the Town of Shelburne as context requires;
- p) **“Use, Uses and Used”** when referring to Fireworks, means and includes the lighting, discharge, setting off, ignition, detonation or otherwise causing the explosion, sound, or pyrotechnic effect of a Firework; and,
- q) **“Victoria Day”** shall mean the last Monday preceding May 25 of any given year.

### 3. AUTHORIZED DAYS AND TIMES

#### **5. USE OF FIREWORKS**

- 5.1 No Person under the age of eighteen (18) shall be permitted to handle or use Fireworks in the Town.
- 5.2 No Person shall use Fireworks in the Town in the following areas:
  - a) on land owned or operated by the Town, its boards, or agencies, without the express written consent from the Town;
  - b) on any park, parkette, trail, linear park, land used for storm water management, or other public place without express written consent from the Town;
  - c) on any road, street, sidewalk, boulevard, shoulder, road allowance, or highway within the corporate limits of the Town;
  - d) on any public property without the express written consent of the owner of the property;
  - e) within 50 metres of a hospital, nursing home, long term care facility, retirement home, or licensed group home; or
  - f) within 50 metres of a school, educational facility, daycare, childcare facility, or religious institution, without the expressed written consent of the owner or their legal representative;
  - g) within 50 metres of a place where explosives, gasoline or other highly flammable substances are commercially manufactured, stored or sold.
- 5.3 No person shall use or cause or permit the use of consumer fireworks on any land except on land belonging to the person using the fireworks, or on other privately owned land where the written consent of the owner has been obtained.
- 5.4 No Person shall cause or permit the use of any Display Fireworks on any land within the corporate limits of the Town.

#### **6. SALE OF CONSUMER FIREWORKS**

- 6.1 Every Fireworks Vendor shall ensure that their premises, building or location:
  - a) is subject to inspection by an Officer;

- b) has the required safety equipment and fire exits;
- c) has no smoking signs posted;
- d) is equipped with at minimum a 2A 10BC rated fire extinguisher;
- e) be located not within one hundred 100 metres (328 feet) of the entrance to any public park;

6.2 Every Fireworks Vendor shall comply with all the following merchandising provisions:

- a) fireworks packaged as single units shall be inaccessible to the public;
- b) bundles or lots of Fireworks shall not exceed 25 kilograms in gross weight; and
- c) all Fireworks being offered for sale or stored on site shall comply with manufacturing, packaging, and storage provisions of the Explosives Act.

## **7. STORAGE OF FIREWORKS**

7.1 A person, who acquires Permitted Fireworks for use, must store them in accordance with this section.

7.2 Up to 25 kg:

- a) No more than 3 kg of fireworks (net explosives quantity) may be stored in a dwelling or in a place attached to a dwelling. Up to 25 kg of Permitted Fireworks (net explosives quantity) may be stored in a place or container that is not in or attached to a dwelling.

7.3 More than 25 kg:

- a) Any quantity of Permitted Fireworks over 25 kg (net explosives quantity) must be stored in accordance with federal law.

## **8. SAFETY PRECAUTIONS**

8.1 The Permitted Fireworks must be stored in a dry place to which access is denied to anyone under 18 years of age, away from any source of heat and any substance that could cause ignition. A place or container containing more than 3 kg of Permitted Fireworks must be attended when it is unlocked.

## **9. EXEMPTIONS**

9.1 This By-law shall apply to all persons and firework vendors and all uses of Fireworks in the Town except the use of Fireworks for: occupational purposes by trained personnel following all applicable standards, Acts, and Regulations; and emergency warning or signaling purpose

9.2 Council may, at their discretion, provide an exemption by resolutions or by bylaw to any provision of this by-law subject to any conditions Council may see fit to impose, including but not limited to:

- a) Site plan drawn to approximately scale showing direction of firing, spectator viewing area, separation distances, positioning of ramps and mortars, overhead obstructions, parking areas, vegetation etc.;
- b) Fire and Safety Plan to the approval of the Fire Chief, Statement of intent describing the event including time schedule of events attendance estimates, details on the type, size, and number of fireworks to be used, firing procedures, emergency response procedures;
- c) Written permission from the owner lessee, and/or agent of the land where the display is to be held;
- d) Evidence of comprehensive general liability insurance of no less than five (5) million dollars. This insurance shall include the Corporation of the Town of Shelburne as an additional insured when the display is on Town property; and,

- e) Person over the age of eighteen (18) who holds a valid certificate issued by the Explosives Regulatory Division of Natural Resources Canada eligible to request approval to display or set off Display Fireworks/Pyrotechnics Special Effects.

9.3 Where an exemption to this By-Law has been granted by Council, breach of any terms or conditions of the exemption may, at the discretion of an Officer, render the exemption null and void.

## **10. ENFORCEMENT**

10.1 This By-law shall be enforced by any Officer as defined in this by-law.

10.2 Any Officer may enter private property at any time for the purposes of upholding the provisions of this by-law in accordance with applicable legislations, Acts, and regulations.

## **11. PENALTY**

11.1 Any person, organization or business who contravenes the provisions of this By-law is guilty of an offence and, upon conviction, is subject to the penalty set out in the Provincial Offences Act.

## **12. CONFLICT**

12.1 In the event that a provision of this by-law respecting the keeping and manufacturing of explosives is inconsistent with a provision of Part IV of the Fire Prevention and Protection Act, 1997, the provision that is the most restrictive prevails.

12.2 In the event that a provision of this by-law is inconsistent with the Explosives Act or the Municipal Act, their Regulations or any other Act or Regulation, the provision of the Act or Regulation shall prevail.

## **13. SEVERABILITY**

13.1 The terms and provisions of this by-law shall be severable, and should any term or provision be found by a court of competent jurisdiction to be legally unenforceable, in operative or invalid, the remainder of the By-law shall continue to be in full force and effect.

## **14. REPEAL**

14.1 Repeal By-law # 45-2004, as amended, Table 3 Item # 1.

## **15. EFFECTIVE DATE**

14.1 This By-law shall come into force and take effect on the day of passing and enacting.

Read a first, second and third time and finally passed on this 10<sup>th</sup> day of May 2021.
