Closing 2:00 pm (local time) March 2, 2022

Please refer to the above request for proposal (RFP) document in your possession and be advised of the following:

Question and answer:

- 1) We would like to request approval to quote the Weil-McLain Evergreen Pro EVG399 boiler for the Centre Dufferin Recreation Complex.
  - a. **Yes, a Weil McLain boiler will be an approved equivalent. As stated in the overview one new NTI Trinity Ti 400 gas boiler or an equivalent heating capacity gas fire boiler.**
- 2) If the Weil-McLain Evergreen Pro boiler is approved, will an addendum be issued indicating the approval?
  - a. **If approved and if not already stated in the addendum a separate addendum will be issued of the approval status of your requested boiler.**
- 3) Is the boiler that's being replaced not working right now?
  - a. **The boiler is not working right now.**
- 4) Can the replacement happen during regular work week and regular work hours?
  - a. **Yes, I would prefer the replacement happen during regular work hours 8am to 5pm during the week.**
- 5) Any pictures (existing condition) available for the contractor?
  - a. **No pictures now. (Not running, electrical issue)**
- 6) Shall the contractor follow the specification of NTI TRINITY TI 400 BOILER to propose an equivalent alternative?
  - a. **There is room for some change but looking for a replacement that will provide the same performance (but I will only have the specifications to go by)**
- 7) Any format available to provide reference with the bid submission?
  - a. **A brief description of work performed and a contact phone or e-mail to inquire with.**
- 8) Is it possible to visit the site regular hours and do we need an appointment?
  - a. **Site visit by appointment but quite flexible I am usually on site just need notice to arrange my time to be there 8am - 5pm**
