GENERAL DESCRIPTION

The Town of Shelburne invites quotations for the supply and planting of 33 boulevard tree replacements. There are various boulevard locations on streets within the Town of Shelburne. Areas will be marked for planting and Town Staff will be available for guidance and walk throughs (specific locations listed in Schedule B). Contractors are responsible for obtaining utility locates prior to planting.

This project if accepted, is proposed to be completed by November 30, 2022. There is a potential for increasing the number of trees planted based upon budget considerations and the final quoted cost accepted per tree. Quotations will be received until **2:00 pm Friday, October 14, 2022.**

Contract Award and Execution shall be in accordance with the Town's Municipal Procurement Policy 2019-05. A copy of the Procurement Policy is available on the Town's website: <https://www.shelburne.ca/en/town-hall/resources/Documents/Municipal-Procurement-Policy-2019.pdf>.

This document is available in alternative format upon request.

SCOPE OF WORK

Tree Species and Specifications

The current number of trees to be planted is 33 with specific locations provided in the table Schedule A. All dead trees and stumps have been removed from planting area. Replacement trees must have a minimum caliper of 50 mm and measure to 1.2 m in height from the finished grade.

Recommended Species:

- Red Maple
- American Basswood
- Skyline Honeylocust
- Little Leaf Linden
- Red Oak
- Pin Oak
- White Oak
- Service Berry
- Redspire Pear
- Flowering Crab Apple
- Ornamental Pear
- Shademaster Honeylocust

Tree Maintenance and Warranty

All excavations are to be done in a manner to minimize the disturbance to grassed areas wherever possible. If damage occurs, it will be the responsibility of the contractor to repair in a timely manner.

Supplied trees will carry a one-year warranty period. The contractor must arrange water and fertilizing on the day of planting and provide door knockers with care guides to households. Homeowners will be responsible for the care and maintenance after tree has been installed. Care guides must be provided to the Town for preapproval before issuance to households.

Once planted, trees are to be staked with 2 wooded stakes, staked outside the root ball and supported with arbour ties. Trees are to be mulched in a 40 cm ring beyond the root ball and mulch should not contact the trunk of the new tree. The contractor shall cut and remove all twine, rope or burlap from top half of root base, prior to installation. The contractor will return to remove stakes and arbour ties once trees are established the following year.

Planting mixes (peat moss/bone meal/topsoil) must be added to amend the soil around the tree. If the area of planting has poorly drained soils, the base of the tree should be planted 50 mm above the finished grade. Otherwise, base of the tree must be flush with grade.

Extra Work

At the discretion of the Town, the contractor may be required to do extra work not specified. If this does occur, all unit prices in the quotation shall apply where applicable but a written quotation in writing will be considered and will be valued on actual costs of labour and materials.

CONFIDENTIALITY OF INFORMATION

The successful Proponent shall not at any time during or after the completion of the process divulge any confidential information communicated or acquired by or disclosed by the Town. No such information shall be used by the proponent on any other engagement without prior written agreement.

INDEMNITY

The Proponent shall indemnify and save harmless the Corporation of the Town of Shelburne from and against all losses and all claims, demands, payments, suits, actions, recoveries and judgements of every nature and description made, brought or recovered against the Town by reason of any act or omission of the Proponent, his agents or employees, in the execution of his work.

QUOTATION EVALUATION CRITERIA

Quotations will be assessed on the information provided in the submission. Evaluation will be based upon the following items:

- Price-30%
- Conformity to Specification-30%
- Experience of Personnel-20%
- References-10%
- Value added features or Options-10%

Note: Lowest or Any Quotation not necessarily accepted.
