# Recap: 2019 Community Improvement Plan

## BUILDINGS

**BIG MOVE #1** Restore the fronts of Downtown buildings to reflect Shelburne's heritage

**BIG MOVE #2** Promote the improvement of houses in the historic residential neighbourhoods with financial incentive programs

**BIG MOVE #3** Promote a wider range of retail and commercial services in Downtown buildings

**BIG MOVE #7** Redesign Fiddle Park as a community hub

**BIG MOVE #8** Redesign Jack Downey Park to become the community's 'living room'

**BIG MOVE #7** Redesign Fiddle Park as a community hub

**BIG MOVE #8** Redesign Jack Downey Park to become the community's 'living room'

**BIG MOVE #9** Improve commercial buildings along County Road 124 with sidewalks, trails, and landscape/pavement treatment

**BIG MOVE #11** Connect Shelburne through trails and sidewalks to promote a connected and healthy community

**BIG MOVE #10** Reduce truck traffic on Main Street with narrower lanes and clear signs to alternate truck routes

**BIG MOVE #11** Connect Shelburne through trails and sidewalks to promote a connected and healthy community

**BIG MOVE #12** Improve Downtown lanes with special pavement and landscaping to improve use for parking, servicing/loading, pedestrian and cycling connection

# What is a Master Plan?

## ❖ Update to 2009 Parks Master Plan

## ❖ Review Current Parks and Recreation Facilities

- Inventory and needs assessment to support future direction of parks, recreation and culture facilities and services
- Strategies for managing and improving existing and new parks and facilities and service delivery/programs

## ❖ Plan for Change

- Significant population growth and change
- Prepare for parks and recreation trends and needs
- Align with Official Plan, Secondary Plans, Community Improvement Plan

# Table Conversations

## Thinking of the parks, recreation and culture facilities and services in Shelburne:

1) What are the current strengths and opportunities?

# Table Conversations

## Thinking of the parks, recreation and culture facilities and services in Shelburne:

- 2) What are your concerns, gaps and areas for improvement?

# Table Conversations

## Thinking of the parks, recreation and culture facilities and services in Shelburne:

- 3) What is your vision for the future, and what should be the key priorities for the next 10 years?
