Streams Community Hub Returns to Shelburne Town Hall Art Gallery with New Exhibition: “Ebb & Flow”

Shelburne, ON – Streams Hub is proud to announce its return to the Shelburne Town Hall Art Gallery for its fourth annual gallery takeover, running from June 5 to June 30. This year’s exhibition, titled “Ebb & Flow,” opens Streams Month with a dynamic celebration of youth creativity, imagination, and artistic expression.

“Ebb & Flow” explores themes of movement, transition, and balance—inviting artists to reflect on the natural rhythms found in both life and nature. Through a wide range of mediums and styles, youth and emerging artists interpret what it means to shift, grow, pause, and evolve. The result is a powerful collection of work that is both deeply personal and collectively inspiring.

For the duration of June, the gallery walls will be transformed by the expressions of young artists whose work showcases creativity, experimentation, and bold self-expression. This annual takeover continues to highlight Streams Hub’s commitment to providing accessible, meaningful opportunities for youth in the arts.

All artwork in the exhibition will be available for purchase, with 50% of proceeds going directly to the artists and 50% supporting Streams Community Hub’s programming for youth.

We are also pleased to invite the public to attend our **Opening Night Reception on Friday, June 5 from 5:00–6:30 PM** at the Shelburne Town Hall Art Gallery. Guests are welcome to meet the artists, explore the exhibition, and celebrate the launch of Streams Month.

Following the reception is the opening night performance of Disney’s ***Finding Nemo Jr.***, presented by **Centre Stage**, Streams Hub’s youth theatre program.

We invite the community to come out, support our youth, and take part in a month-long celebration of creativity, connection, and artistic growth.
