New Online Shopping Mall open to ALL local businesses

The E-mall will be a 1 - STOP shop for consumers, with special features, such as a Booking App, which are designed to help pandemic proof your business, simplify your interaction with customers and help you reach new markets.

The service is FREE to ALL businesses. This is a 1-year pilot project in collaboration with Shelburne EDC and Innovation Guelph, who awarded the Town of Shelburne with a grant in support of the online mall.
