Join a Growing Canadian Company in a Hands-On Role!

Kal Tire is hiring a Mounted Wheel Assembler at our new re-manufacturing facility in Amaranth, ON, just outside Orangeville. If you enjoy hands-on work and want a stable, full-time role with opportunities for growth, we want to hear from you!

This permanent, full-time position offers Monday–Friday day shifts – **no rotation required**!

What You'll Do:

- Work with tools and equipment to assist in mounting, dismounting and refinishing wheels.
- Perform general labour duties such as material handling, assembly, and quality checks.
- Maintain a clean and organized workspace.
- Follow safety procedures and use personal protective equipment (PPE) as required.

Why Join Kal Tire?

- **Competitive Pay:** Starting at $23.09/hour, plus a monthly bonus
- **Full Benefits:** Dental, vision, prescription, massage therapy, EAP, and more.
- **Career Growth:** Opportunities to advance within a well-established Canadian company.
- **Paid Training:** Gain hands-on experience and develop your skills.
- **Employee Perks:** Discounts on tires, services, and more.
- **Supportive Team:** Work in a collaborative and inclusive environment.

What You Bring:

- **Hands-On Skills:** Experience with tires, wheel assemblies or wheel refinishing an asset.
- **Physical Stamina:** Comfortable standing for long periods and performing manual tasks.
- **Safety Awareness:** Ability to use PPE and follow all safety procedures.
- **Team Player:** Strong interpersonal skills and a willingness to collaborate.
- **Basic Computer Skills:** Ability to track and record work progress.

Hiring Process:

Shortlisted candidates will be contacted for an interview. On-site interviews may include a facility walkthrough – please dress accordingly.

Our Inclusive Culture:

At Kal Tire, we believe in building a workplace where everyone feels valued and empowered to succeed. We welcome applications from candidates of all backgrounds. Applicants must be legally eligible to work in Canada.
