## Employers Wanted!

Shelburne Economic Development is partnering with CLAC to bring a construction Bootcamp to Shelburne. The Bootcamp will help create skilled trades opportunities for Adults and Youth and fill a employment gap for employers within our region/community.

### CLAC Bootcamp

CLAC has developed a unique training program to help individuals gain the skills they need to get hired in the construction industry.

Employers are eligible for a 50% wage reimbursement (up to \$528/week for the first 8 weeks).

We are looking for employers to participate in the program and we are hosting a virtual information session on August 31 | 6:00PM

Graduates of the program will obtain:

- Construction health and safety foundations
- Construction tools and equipment
- Job-site communication skills and conflict management
- Construction-oriented math skills and measuring and layout skills
- How to recognize and mitigate workplace hazards and more...
- Participants will also earn mandatory safety certificates, including:
  - Working at Heights, Mobile Elevating Work Platforms, WHMIS, and more

Additional program supports include:

- Employability skills, upgrading, and job search assistance
- Needs-based financial assistance toward childcare, accommodation, and transportation
- Up to 26-weeks of wrap-around career-based support throughout training and work placement

Your job is out there. We'll help you find it.
