## BE A HYDRANT HERO

Keep hydrants clear of snow

**BE A HYDRANT HERO**

Help keep our community safe this winter by clearing snow from fire hydrants and catch basins.

In an emergency, every second counts. By keeping fire hydrants visible and accessible, you ensure that emergency services can respond quickly. Clearing snow from catch basins helps prevent street flooding and icy road conditions, making our roads safer for everyone.

Let's work together to keep our neighborhood safe and sound!

## WINTER SEASON MAINTENANCE

**WINTER MAINTENANCE – HOW YOU CAN HELP**

We work hard to clear snow and ice from the roads. Sometimes, it can be difficult because of many reasons. Please wait 24 hours after a snowstorm before asking for snow to be cleared.

To help us remove snow quickly, you should:

- Don't park on the road. It makes it hard to clear snow. You can't park on the road from midnight to 8:00 am (By-Law #8-1983).
- Don't put snow on the road. Put all snow on your property. You need to clear your driveway and the entrance.
- Don't put garbage bins on the road, sidewalks, or snowbanks.
- Make sure your car doesn't block sidewalks or roads.
- Keep fire hydrants and drains clear.
- Be polite and give snowplows lots of space. They are working to keep roads safe.
- Be patient. We have a plan to clear roads. Main roads like Greenwood Street, Fiddle Park Lane, Simon Street, and Victoria Street will be cleared first. Then we will clear local streets, crescents, and courts.
- Be kind. Our staff works hard to clear roads and sidewalks as fast as they can.
