No winter overnight parking
Nov. 15 – April 15

WINTER OVERNIGHT STREET PARKING STARTS NOVEMBER 15

A reminder to all Shelburne residents and motorists that winter overnight parking restrictions take effect starting Monday November 15, 2021 at midnight. No vehicles are to be parked on any roadways between midnight and 8:00 a.m. every day. This allows for snow removal and other winter road, boulevard and sidewalk maintenance. By-law 8-1983 issues a \$15.00 fine for any contraventions. See shelburne.ca for more details

SIDEWALKS: SNOW CLEARING AND SAFETY

Public Works oversees and maintains approximately 31 km of Town-owned sidewalks and 3 pedestrian bridges.

Winter Maintenance is completed in accordance with the Ontario Minimum Maintenance Standards, under this sidewalks are to be cleared within 48 hours that the snow accumulation has reached less than or equal to 8cm.

The Town's service level for winter maintenance on sidewalks is to maintain them to a snow packed condition. Snow packed is defined as a hard-packed snow surface. Sidewalk plows/blowers are not capable of clearing snow and ice from sidewalks to the extent that bare concrete is exposed in all conditions. The amount of scraping and sand/salt required to achieve a bare concrete service level would be damaging to the pavement, equipment, and the environment.

Snow and ice often bond to the concrete during extreme temperatures, and ice can also form on snow packed sidewalks during thaw/freeze cycles. Other factors, such as overgrown turf on the edge of the sidewalk or a buildup of residual ice and snow under wheel tracks, can cause the edge of the plow or blower to ride above the surface of the sidewalk. All affected areas are treated with sand for traction.

Edges of sidewalks may become hidden with deep snow or snow drifts. That is when the plow may cause damage to sod. In those circumstances damage may be unavoidable even with even the most experienced operator. To report sod damage, please complete the online report a concern form or call the Operations, Parks and Facilities Clerk at the Town of Shelburne 519-925-2600 extension 261. Staff will inspect the damage and make repairs in the spring.

Please remember that boulevards are owned by the Town and should not have any permanent landscape features. These damaged items would not be the responsibility of the Town. Winter weather can cause safety issues for residents. Town Staff make every effort to clear sidewalks as quickly and effectively as possible.

Family Day Outdoor Skate

with Mayor & Council

Hyland Skating Track at Natasha Paterson Memorial Park

February 21 | 1:00pm to 2:00 pm

We will be accepting non perishable food donations for the Shepherd's Cupboard Foodbank

"DON'T THROW SNOW ON THE ROAD – ITS ILLEGAL!"

Pushing snow across roads and streets is not only a safety hazard; it is also against the law. Pile all snow from your driveway and sidewalks on your property, not on the road. Section 181 of the Highway Traffic Act prohibits the depositing of snow and ice on a roadway without written permission from the Ministry or other road authority. Failure to comply with the Highway Traffic Act may result in a fine being issued to the property owner or contractor. Visit our Winter Maintenance Page for more information - <https://www.shelburne.ca/en/town-hall/winter-maintenance.aspx>.

VOTE

Municipal Election October 24, 2022

THE 2022 MUNICIPAL ELECTION WILL OFFER TELEPHONE AND INTERNET VOTING.

ELECTION DAY IS MONDAY OCTOBER 24, 2022.

Vote anywhere, anytime. Electors will be able to vote remotely using their own devices in the comfort of their home. Advantages include less travel, removing time constraints, and improved accessibility for persons with disabilities or people who are ill or away from home. The voting period for electors in the Town of Shelburne will be Tuesday, October 11, 2022, to Monday, October 24, 2022, at 8:00pm. Nomination Day has moved to August 19, 2022, for the 2022 Municipal Election. Nominations open May 1, 2022. As a reminder, nominations must be endorsed by 25 persons that are eligible to vote in the Town of Shelburne.

Am I on the voters' list?
 If you are an Ontario resident over the age of 18, you should confirm that you're on the voters' list. Verify that your information is correct and if necessary, change your school support for electoral purposes or add names to your property address. Updating this information will help ensure that municipal voters' lists are accurate and up to date in preparation for the 2022 municipal and school board elections. Click on this link to inquire further <https://voter-lookup.ca/home.aspx> For more information and updates please visit the Town's website <https://www.shelburne.ca/en/town-hall/election-information.aspx>

YIELD TO FLASHING GREEN LIGHT

FIREFIGHTER RESPONSE TO EMERGENCY

BHM

Black History Month

TOILET TIPS TO KEEP OUR SEWAGE TREATMENT PLANT SAFE:

- Do not pour paint, pesticides, medicine and chemicals down your drain.
- Household cleaners and laundry detergents low in phosphates are encouraged.
- Wipes, even if they are flushable, are a serious hazard for our treatment facility systems. They are made of synthetic material that will not breakdown in water.
- Only flush the three "P" s.
- Dispose of cooking oils and grease through the Green Bin.
- Refrain from using a garburator, use the Green Bin instead.

Thank you !!
 Sewer Department, Town of Shelburne

HEY NEIGHBOUR, DID YOU KNOW.....

The Town of Shelburne offers three (3) options for pre-authorized payment plan to property owners as an option to pay Water/Wastewater Utility bills.

1. DUE DATE (Bi-monthly) (every two months when the bill is due)
2. MONTHLY BUDGET PLAN (12 monthly estimated payments)
3. PRE-APPROVED PAYMENT PLAN (to handle arrears on your account)

Please see www.shelburne.ca for more details. Questions may be directed to water@shelburne.ca or by contacting Town Hall 519-925-2600 x 231

NOTES FROM THE WATER & SEWER DEPARTMENT

With the cold weather approaching please remember to keep your Water Meter warm! To protect your meter and pipes, ensure that they are kept warm; they should be insulated or located in areas that are kept warm. Keep garage doors closed to ensure pipes located there are kept warm; even a cracked garage door can allow entry of enough cold air to freeze pipes and meters.
