Thank you doesn't seem like enough when we think about the support and enthusiasm shown at the golf tournament on June 8th. We were happy to be able to gather for the first time in over 3 years and share in this networking and fundraising opportunity.

Thank you to all of our sponsors and volunteers for the success of the tournament and a special thank you to Megan and the entire staff at the Shelburne Golf and Country Club.

This project is funded in part by the Government of Canada through the Federal Economic Development Agency for Southern Ontario.

Applications are now open for Digital Main Street's (DMS) Ontario Grants Program.

The Digital Technology Grant (DTG) provides up to \$2,500 to qualifying brickand-mortar small businesses to help cover the costs of adopting digital technologies. The grant includes an online assessment of each business as well as training and resources.

To learn more about the Digital Transformation Grant program, business eligibility, and the application process, click the button below or contact Christine Hann, Digital Services Coordinator at chann@orangeville.ca or phone 519-939-8106.
