More Information

The #Support-The-Burne is an award-winning marketing program (2020 Economic Development of Canada Marketing Award). The program was developed by Shelburne Economic Development, to support our local businesses during the height of COVID pandemic.

Shelburne Economic Development along with our partner Country105 FM and the Towns social media assets (Facebook, website, twitter and billboards), collaborated with local businesses to develop marketing materials which were promoted throughout the Town, at no costs to local businesses, to advocate/advertise and increase awareness.

The program success is measured by the number of businesses who have and will continue to take part in the marketing initiative.
