### Winter Maintenance

#### How You Can Help

Visit [Shelburne.ca](https://shelburne.ca)

**WINTER MAINTENANCE – HOW YOU CAN HELP**

We work hard to clear snow and ice from the roads. Sometimes, it can be difficult because of many reasons. Please wait 24 hours after a snowstorm before asking for snow to be cleared.

To help us remove snow quickly, you should:

- Don't park on the road. It makes it hard to clear snow. You can't park on the road from midnight to 8:00 am (By-Law #8-1983).
- Don't put snow on the road. Put all snow on your property. You need to clear your driveway and the entrance.
- Don't put garbage bins on the road, sidewalks, or snowbanks.
- Make sure your car doesn't block sidewalks or roads.
- Keep fire hydrants and drains clear.

### BE A HYDRANT HERO

Keep hydrants clear of snow

**WORKING TOGETHER**

Help keep our community safe this winter by clearing snow from fire hydrants and catch basins.

In an emergency, every second counts. By keeping fire hydrants visible and accessible, you ensure that emergency services can respond quickly.

Clearing snow from catch basins helps prevent street flooding and icy road conditions, making our roads safer for everyone.

Let's work together to keep our neighborhood safe and sound!

### IMPORTANT SAFETY ALERT

FOR HOMEOWNERS & LANDLORDS

Carbon Monoxide (CO) is an invisible, odourless and deadly gas. New requirements are coming to help keep households safe!

Effective January 1, 2026, new CO alarm requirements apply to homes that have:

- A fuel burning appliance (furnace, gas stove, etc.)
- A fireplace
- An attached garage
- (NEW) Heated air that comes from a fuel burning appliance outside the home (e.g. an appliance in a utility shed)

Learn more at [Ontario.ca/CarbonMonoxide](https://Ontario.ca/CarbonMonoxide)

## WINTER PARKING

Changes to Winter on Street Parking Restrictions

**New Dates**

- Dec. 1, 2025 to Apr. 15, 2026
