## Welcome Back, Community Gardeners!

### Shelburne Community Garden Update

Hello Gardeners,

We're thrilled to announce that the Shelburne Community Garden will officially open its gates on Friday, May 17, 2024!

This year, we've gone the extra mile to enhance your gardening experience:

1. **Organic Compost and Topsoil:** We've provided fresh organic compost and nutrient-rich topsoil. Feel free to use them to give your plants a healthy start!
2. **Lockers for Your Convenience:** You'll notice lockers conveniently placed in the garden. These are for your use—whether you want to store tools, gloves, or other essentials. Please remember that the Town won't be responsible for items left in the lockers or the garden.
3. **Gently Used Garden Tools:** Exciting news! Our shed now houses a selection of gently used garden tools. From trowels to pruners, they're there for you. Borrow them whenever you need them—they're community tools!

? **Lock Code Update:** The new lock code is **TREE**. Remember to keep it secure and share it only with fellow gardeners.

Please read the [Code of Conduct and Conditions of Use](#), then complete the online form below to confirm that you have read and agree with the terms.

To maintain access to the Community Garden, you will be required to complete the online form no later than June 1, 2024, at 6:00 PM.

*After June 1, 2024, you will be required to sign the Code of Conduct and Conditions of Use document in person at the Town offices, located at 203 Main St. East Shelburne ON*
