COUNCIL PRIORITIES 2022-2026

A People Place, A Change of Pace
SHELBURNE
ONTARIO, CANADA

Message from the Mayor

On behalf of Council, I am pleased to present Council's Priorities 2022-2026.

Very early in our term, Council met to define our priority areas of focus and to identify what we want to accomplish during our current term of office. We will continue to ensure that the needs of residents, businesses and our overall community are met in an effective and efficient manner.

It is also critical that priorities of your Council are well communicated. These priorities will help focus Council and staff, will influence decision making, guide our decisions and the allocation of resources during the budget process in particular.

I would like to acknowledge Council and staff not only for their dedication and involvement in developing this document, but also for their ongoing commitment to advancing each priority toward reaching a better community.

The future of our Town continues to be remarkably bright. There will undoubtedly be challenges along the way but Council will meet those challenges by being bold and intentional in our decisions. I look forward to leading our team as we serve our growing and dynamic community.
